Barathrum

Whip and knife  
Barbed wire  
Thrashed beaten  
Slayed for satisfaction  
Chains and spikes  
Electric shocks  
Lying and bleeding  
On broken glass

Sadistic pleasure  
Pleasure to mutilate  
Torture and then  
Finally death

Violent ritual  
Ultimate pain  
Acts of sadism  
Hurting like hell  
Longing for pleasure  
Pleasure by hurting  
Hurting the victim  
Until one's death

Razor blades  
Smashed face  
Broken bones  
Suffocate  
Anal rape  
Behead  
Cause of pain  
Rip the flesh
