

# Virgin Blood Spiller

Barathrum

red is the colour of virgin blood so pure  
for this mind's fire there's only one sure cure  
thirst for maid's liquid of life  
can be stopped by following act  
take your sharpest dagger or knife  
open her veins to drink her blood  
take your sharpest dagger or knife  
open her veins to drink her blood

to help your thirst;  
virgin will be slain  
spill her blood  
make her suffer

slay, stab, impale and kill  
execute your deepest will  
slay, stab, impale and kill  
kill, kill, kill, kill

virgin blood spiller  
the most evil sinner  
virgin blood spiller  
slayer by my own nature

slay, stab, impale and kill  
execute your deepest will  
slay, stab, impale and kill  
kill, kill, kill, kill

ritualistic slaughter  
cutting her veins, making to bleed  
slaying an innocent daughter  
kill her to drink before it's too late

slay, stab, impale and kill  
execute your deepest will  
slay, stab, impale and kill  
kill, kill, kill, kill

virgin blood spiller  
the most evil sinner  
virgin blood spiller  
slayer by my own nature

slay, stab, impale and kill  
execute your deepest will  
slay, stab, impale and kill  
kill, kill, kill, kill, kill!
