

Love Makes the World Go 'Round

Barbara Lewis

You know love makes the world go round
And love makes the seesaws go up and down
And it makes trees grow tall
And the most important thing of all
It makes a boy and girl
Say they feel so good, now

Without love, flowers wouldn't grow in the spring
And without spring, yeah the birdies just wouldn't sing
Well, everybody needs love
And to watch the twinkling stars above
It makes a boy and girl
I'm talkin' bout feel so good

Now, everybody needs love
Just to watch the twinkling stars above
It makes a boy and girl
Say they feel so fine, now

Love, love, love makes you cry now
That goes for Deon, Myrna, Bobby, Joe, and Honey
Even you and I
Well, I can prove to you
That these facts of love are so true
They make the boy and girl
Every time, say now, feel so good

Love, oh love, love can you make you cry now
Love, oh, but love can never gonna die
So you better get with it
Or you might miss it
So hip, honey hip, get yourself together
