

How Can It Be Wrong (When It Feels so Right)

Barbara Mandrell

You run to meet me and I reach out my arms
When I hold you close it makes me feel so warm
And we'll slip away and be together tonight
How can this be wrong when it feels so right

Even though I love you I can't call you mine
So we'll love each other a little at a time
So kiss me once more then I'll say goodnight
How can this be wrong when it feels so right

How can it be wrong when it feels so right
And we'll both go home to another tonight
And we'll hide our feelings and hold each other tight
How can this be wrong when it feels so right
How can this be wrong when it feels so right
