

# 'Til You're Gone

Barbara Mandrell

How many days...  
How many ways...  
Do I have to lose you  
'Til you're gone?  
How many nights...  
How many lonely nights...  
Do I have to lose you darlin'  
'Til you're gone?

It happens every time  
I think I'm gettin' over you  
Something 'bout somebody new  
Gets me thinkin' about you

Chorus:

How many times...  
How many times...  
Do I have to lose you  
'Til you're gone?

I see you on the Late Show  
I hear you on the radio  
Darlin' everywhere I go  
Your memory is there

(How many times?) I wanna know...  
(How many times?) Do I have to lose you Darlin'... 'til you're gone?  
(How many times?) How many days...how many nights...'til you're gone?  
(How many times?) I wanna know...  
(How many times?) I wanna know Darlin'...
