

Treat Him Right

Barbara Mandrell

I wanna tell you a story
Every girl oughta know
If you want a little loving
You gotta start real slow
He's gonna love you tonight
If you just treat him right

Squeeze a real gentle
You gotta make him feel good
Tell him that you love him
Like you know you should
'Cause if you don't treat him right
He won't love you tonight

Hey hey hey hey

If you practice my method
Just as hard as you can
You gonna get the reputation
That you can love your man
And you'll be glad every night
That you treated him right

Hey hey hey hey

I wanna tell you a story
Every girl oughta know
If you want a little loving
You gotta start real slow
He's gonna love you tonight
If you just treat him right

He's gonna love you tonight
If you just treat him right
And you'll be glad every night
That you treated him right
And you'll be glad every night
That you treated him right
