

# We Go Together

Barbara Mandrell

The places where we used to meet  
We go together  
Step by step like shoes on the feet  
We go together  
Just like the sand out in the sea  
What good is sugar if you have no tea  
What good are you if you don't have me  
We go together

That old feeling we used to get  
Even feels better  
There was a girl you made me forget  
The day I met her  
Just like the tears in a baby's eyes  
Just like the stars in the sky  
Like ice-cream and an apple pie  
We go together

We go together like the storm and rain  
Just like the fire that needs the flame  
Just like the picture needs the frame  
We go together  
We go together like the moon and June  
Just like the fork needs the spoon  
Just like the song needs the tune  
We go together

We go together like the storm and rain  
Just like the fire that needs the flame  
Just like the picture needs the frame  
We go together  
We go together like the moon and June  
Just like the fork needs the spoon  
Just like the song needs the tune  
We go together

We go together like the storm and rain  
Just like the fire that needs the flame  
Just like the picture needs the frame  
We go together  
We go together like the moon and June  
Just like the fork needs the spoon  
Just like the song...
