

# Keep Him

Barbara Mason

He's not like that other boys  
Oh no no no no no  
You can't handle him like he's a toy  
Oh no  
He treats you kind  
I wish he were mine  
I love him so and never let him go

You better keep him, oh yeah  
You better keep him, oh yeah

He'll do anything you ask him to, oh yeah  
He even knows how to be true, oh yeah  
If he would have me, I'd make him happy  
Just give me a try and you will see why

You better keep him, oh yeah  
You better keep him, oh yeah

You better keep him, oh yeah  
You better love him so and never let him go (You better keep him, oh yeah)

You better treat him kind 'cause Imma make him mine  
You better keep him, oh yeah (You know if I were you, I'd be...  
)

You better keep him, oh yeah (You better treat him kind or Imma make him mine)

You better keep him, oh yeah (You better love him so, and never let him go)

You better keep him, oh yeah ('Cause he's so nice, and you should treat him right)

You better keep him, oh yeah
