

Miracle Man

Barbara Mason

Miracle man
Come lay your hand upon me
Upon me
And set my soul free
He walked the waters
And calmed the seas
Do you believe me?
He walked
Miracle man
Come let me stand
Beside you
Beside you
So you can me through, through, through
He changed the water into wine
And he healed the blind
Miracle man
Come lay your hand
Upon me
Upon me
And set my soul free, free, free
He gave speech back to the mute
No one can dispute

Watered and fed a multitude of people so wide
And he feed the soul of you and I
Miracle man
Come let me stand
Beside you
So you can me through, through, through
Miracle man
Come lay your hand
Upon me
Upon me and set my soul free, free, free
Oh, my miracle man
You're the only one that understands
Oh, I want you to let me stand beside you
Oh, my miracle man
Come lay your hand on me
And set my soul free
