Something You Got

Barbara Mason

Something you got, baby

Makes me work all day

Something you got, baby

Makes me bring home my pay

Something you got, baby

You ought to know

My my, whoa whoa

I love you so

Something you got, baby

Makes the world go 'round

Something you got, baby

Keep me home every night

Something you got, baby

You ought to know

You ought to know

Whoa, whoa, my, my

Whoa I love you so

Something you got

Makes me work all day

Something you got

Makes me bring home my pay

Something you got

You ought to know

My my, whoa whoa

I love you so
