

Baby I'm Your Man

Barbatos

I called bitch on the phone
I know she don't like me
What a great fucking bitch
But I want to fuck a nasty slut

She may look great
She is fucking hot

Baby I'm your man

I'm nasty boy
You make me sick
She is the best bitch
She just knocked out me

She may look great
She is fucking hot

Baby I'm your man

I don't wanna talk
I want fuck
Shut your mouth
Am I stupid?
