

G-point

Barbatos

Ready to go for the final battle
Hard as metal, with strength from evil
Armed to the teeth, I've taken the offensive
G- point is my ultimate objective

Sex war machine
I command pleasure and sin
My intense fire power
Drives her crazier
G- point / unceasing attack
G- point / a demonic pact
G- point / feeding your last
G- point / psychedelic fuck

I bomb the enemy's position
Satisfaction in bestial penetration
Comings and goings between her things
I show her total hell until she sighs

Sex war machine
I command pleasure and sin
My intense fire power
Drives her crazier
G- point / unceasing attack
G- point / a demonic pact
G- point / feeding your last
G- point / psychedelic fuck

Finally comes the furious ecstasy
A satanic and victorious frenzy
Warlike orgasm, G-point has been reached
I am the devil and I fucked this bitch

Sex war machine
I command pleasure and sin
My intense fire power
Drives her crazier
G- point / unceasing attack
G- point / a demonic pact
G- point / feeding your last
G- point / psychedelic fuck
