Please Don't Go

Barcelona

All those arrows you threw, you threw them away
You kept falling in love, then one day
When you fell, you fell towards me
When you crashed in the clouds, you found me

Oh, please don’t go
I want you so
I can’t let go
For I lose control

Get these left handed lovers out of your way
They look hopeful but you, you should not stay
If you want me to break down and give you the keys
I can do that but I can’t let you leave

Oh, please don’t go
I want you so
I can’t let go
For I lose control
