

Why Do You Have So Much Fun Without Me

Barcelona

i'm going to hang around all day
and watch the tv set
whats wrong with going out?
i'm writing code at home on friday nite
i stayed up late on irc
i hide out in my room and read for hours
i wouldn't have it any other way
if you miss me sooo much
why do you have so much fun? when i'm not their
you're on vacation all the time
holidays each week
whats wrong with going out?
going places i will never be
you're meeting people i don't know
friends i never knew you had
never do those things when you're with me
if you miss me soo much
why do you have so much fun when i'm not their
if you miss me sooo much
why do you have so much fun when i'm not their
...
if you miss me soo much
why do you have so much fun when i'm not their
if you miss me soo much
why do you have so much fun when i'm not their
