

Crazy Over (You)

Barclay James Harvest

The day, the night, to me are just the same
I see your face, it burns me like a flame

And there's something I've got to say
Yes it's making me feel this way
Don't you know that I'm going crazy -
Over you

One look, a smile, is all you've got to do
I see your face in everything I do

And there's something I've got to say
Yes it's making me feel this way
Don't you know that I'm going crazy -
Over you
