## **Crazy Over (You)**

## **Barclay James Harvest**

The day, the night, to me are just the same I see your face, it burns me like a flame

And there's something I've got to say Yes it's making me feel this way Don't you know that I'm going crazy - Over you

One look, a smile, is all you've got to do I see your face in everything I do

And there's something I've got to say Yes it's making me feel this way Don't you know that I'm going crazy -Over you
