

## Giving It Up

Barclay James Harvest

I give up my world  
And giving it up, it ain't easy  
I give up my life  
And giving it up, it ain't easy

I give up everything I have  
Even give this heart of mine  
I would give up my soul  
Giving it all for you

I give up my time  
And giving it up, it ain't easy  
I've made up my mind  
And making it up, it ain't easy

Give up everything I have  
Think about this heart of mine?  
I would give up my soul  
Giving it all for you
