

Prisoner Of Your Love

Barclay James Harvest

E **B E B F# B**

Got a good feeling

E **B E B F# B**

When she walks by

E **B E B F# B**

Got to move closer

E **B E B F# B**

She makes me high

E **B E B F# B**

The touch of her body

E **B E B F# B**

I feel next to mine

E **B E B F# B**

Every action

E

Moving in time

B B F# F# B E

You got the power to start me burning up

E F# B

You got the kind of love I need

B F# F# G E

And you could stop the world from turning round

E F# B

The kind of love I can't believe

B F# F# B E

You lock me up and throw away the key

E E

I'm a prisoner of your love

B E B F# B E

B E B F# B

E **B E B F# B**

She's a woman of wonder

E **B E B F# B**

Just look in her eyes

E **B E B F# B**

It's a spell that I'm under

E **B E B F# B**

And she'll hypnotise

E **B E B F# B**

You're one in a million

E **B E B F# B**

You do it right

E **B E B F# B**

You're sending me crazy

E

Make it tonight

B B F# F# B E

You got the power to start me burning up

E F# B

You got the kind of love I need

B F# F# G E

And you could stop the world from turning round

E F# B

The kind of love I can't believe

B F# F# B E

You lock me up and throw away the key

E E

I'm a prisoner of your love

E B F#

First time that I saw you, girl

E B F#

I knew my eyes were open wide

E B F#

And the world just seems a better place

E B F#

As long as you are by my side

B B F# F# B E

You got the power to start me burning up

E F# B

You got the kind of love I need

B F# F# G E

And you could stop the world from turning round

E F# B

The kind of love I can't believe

B F# F# B E

You lock me up and throw away the key

E E

I'm a prisoner of your love
