```
We can't all be right
 в в
We can't all be wrong
 C#m
It's a long journey
We travel on
Gypsies of the night
в в
Riders of the storm
         C#m
Though it's heartbreaking
We must go on
Wrong place
Wrong face
Somewhere on the road
Keep playing
And saying
Welcome to the show
Those who laugh the first
Must cry later they say
C#m
As the stage curtain
Brings on the girls
E
And they surely do well
For the politicians who sell them
 в в
On TV today
 C#m
Makes me uncertain
Of who runs the world
Wrong place
Wrong face
Somewhere on the road
Keep playing
```

Leading nowhere at all

Now we can't get away from it all
