

Course Of Action

Barcode

Same scene it's our chosen way
Pick me up and get me thru the day
As one we stand when the sky comes down
One and another
All united, we're on
No holds barred, all fakes denied
No affliction, no game
A choice is made
And it's HARDCORE

One decision
HARD-CORE!
HARD-CORE!

Hypocrites on the rise
Banned for life, this is all straight forward
No games played, no hidden agenda
A cause for us and a course of action
Tell it lik it is, it's a choice of a few
As long as you don't get it there's no explanation
Never giving in to corruption and greed
Join if you dare it's a HARDCORE NATION

As one we stand when the sky comes down
Pick me up and get me thru the day
As one we stand when the sky comes down
One and another
