

# The Judge

Barcode

One  
Is it alright  
To say that you don't  
Like any kind but your own kind  
Two  
Is it ok  
Your claim to fame  
When your claim is lame  
Well if one is alright  
And two is not  
Where's the limit and who's to judge  
But if you know  
Practice what you preach  
There's choices to be made

Who's to judge  
Who's to judge  
It's a hardcore job  
Who's to blame  
Who's to not  
It's a hardcore job

You say you know  
'bout right and wrong  
You say it makes great sense  
So take the seat  
And practice what you preach  
There's choices to be made  
Choices to be made
