

Auld Lang Syne

Barenaked Ladies

Should auld acquaintance be forgot
And never brought to mind?

Should auld acquaintance be forgot
And days of Auld Lang Syne.

For Auld Lang Syne, my dear,
For Auld Lang Syne,
We'll take a cup of kindness yet
For Auld Lang Syne.

And here's the hand, my trusty friend
And gives a hand of thine
We'll take a cup of kindness yet
For Auld Lang Syne.

For Auld Lang Syne, my dear,
For Auld Lang Syne,
We'll take a cup of kindness yet
For Auld Lang Syne.
