

Did I Say That Out Loud?

Barenaked Ladies

I know you're not to kiss and tell,
But maybe nobody has ever kissed as well as you do,
Don't know what's got a hold of me,
Alcohol or alchemy,
I know you're not to kiss and tell - oh well.

Anywhere you're gonna be, that's where I wanna be,
Right now, did I say that out loud,
Put your hands up in the air,
Wave 'em like you care and I'll be there,
Anywhere you're gonna be, that's where I wanna be,
Right now; did I say that out loud,
Woah-oh woah-oh-oh-oh-oh-oh,
Woah-oh woah-oh--oh--oh--oh--oh.

They tell you not to plan too far,
But I'm already miles ahead, and I intend to be wherever you are,
Don't know what's got a hold of me,
It's greater than gravity,
They tell you not to plan too far, but we are.

Anywhere you're gonna be, that's where I wanna be,
Right now, did I say that out loud,
Put your hands up in the air,
Wave 'em like you care and I'll be there,
Anywhere you're gonna be, that's where I wanna be,
Right now; did I say that out loud,
Woah-oh woah-oh-oh-oh-oh-oh,
Woah-oh woah-oh--oh--oh--oh--oh.

When you get close,
And my heart goes,
Boom-boom-pow!
Did I say that out loud?
When you kiss me,
And it hits me,
If I try to write about it,
Someone's gonna diss me,
Miss me miss me,
Now we got a history,
Is it such a mystery,
How I fell for you?
How I fell for you.

Anywhere you're gonna be, that's where I wanna be,
Right now, did I say that out loud,
Put your hands up in the air,
Wave 'em like you care and I'll be there,
Anywhere you're gonna be, that's where I wanna be,
Right now; did I say that out loud,
Woah-oh woah-oh-oh-oh-oh-oh,
Woah-oh woah-oh--oh--oh--oh--oh.

I know you're not to kiss and tell, oh well.
