

## The Ninjas

## Barenaked Ladies

I woke up this morning and everything was different  
Something was strange in the air  
I woke up this morning and everything was different  
I knew that the ninjas had been there

I looked all around my bedroom, underneath the dresser  
Behind the bed, but nothing could be found  
There was nothing left behind them, nowhere that I could find t  
hem  
No fingerprints or crumbs on the ground

The ninjas are deadly and silent  
They're also unspeakably violent  
They speak Japanese, they do whatever they please  
And sometimes they vacation in Ireland

The ninjas are deadly and silent  
They're also unspeakably violent  
They speak Japanese, they do whatever they please  
And if you tear off their masks they'll be smiling
