If you have trouble coming to Jesus, my friend  
'Cause it's so easy; just believe and He'll mend  
Your broken heart  
And give you eternal life

I used to hate God, churches, and all  
But I took His new life when I heard His call  
Into my heart  
And I took His gift of love

Strangeness inside; wonders and chills  
Then tears, like rain; such sweet, sweet pain  
I knew His love  
He left my hate far behind
