

## Playin' For Him

Barnabas

Before I came to the Lord, I played in a rock and roll band  
We were out on the road, and played a lot of one night stands,  
oh yeah  
Well, the Lord said: "Don't stop, but now I want you playing for Me  
Get out and make joyful noise, and sing about Christ from Galilee"

"Marshalls and drums, cymbals and bass  
Get out and blow 'em away  
Playin' for Me, you'll be playin' for me"

Oh, maybe you think this is a funny thing for Christians to do  
But we love Jesus, and we would like to show Him to you, oh yes  
, we would  
God sent His Son to die on the cross for your sins  
We'll make all the noise we can, so you'll believe in Him

Marshalls and drums, cymbals and bass  
Get out and blow 'em away  
Playin' for Him, you'll be playin' for Him

Christ Jesus, the Lord, you know He's coming back pretty soon  
And if you reject Him, you know you've sealed your own doom  
The Lord Jesus, he wants to stand by your side  
He's giving you heaven, if you say "no", hell opens wide

Marshalls and drums, cymbals and bass  
We're up here making all of this noise  
To tell you of Him  
We want you to know Him  
We're gonna sing about Him
