

Airplane Song

Barney

Oh, we are flying in an airplane,
Looking out the window,
Watching the clouds go by.
Flying in an airplane,
Looking out the window,
Up so very high.

Looking out the window,
We can see the wings.
Down below we see other things.

Like little tiny buildings
And cars so small,
It makes me feel
Like I'm really tall.

Oh, we are flying in an airplane,
Looking out the window,
Watching the clouds go by.
Flying in an airplane,
Looking out the window,
Up so very high.

Pretending I'm a pilot is a lot of fun,
I think when I grow up
I really might be one.

But for now I'm just enjoying
Being in this plane,
Safe from the snow and from the rain.

Oh, we are flying in an airplane,
Looking out the window,
Watching the clouds go by.
Flying in an airplane

Looking out the window,
Up so very high.

Oh, we are flying in an airplane,
Looking out the window,
Watching the clouds go by.
Flying in an airplane,
Looking out the window,
Up so very high.
