

# I Put a Smile On

Barney

Early in the morning when I get dressed  
Because I always want to look my best  
The first thing I do, so everyone will see  
Is put a great big smile on me

I put a smile on  
A smile on my face  
I put a smile on  
I wear it every place

I put a smile on  
And soon I see  
The whole world's  
Smiling back at me

A smile is pretty, a smile is free  
A smile is a gift to you from me  
A smile is a present in a special way  
'Cause you still get to keep it when you give it away

I put a smile on  
A smile on my face  
I put a smile on  
I wear it every place

I put a smile on  
And soon I see  
The whole world's  
Smiling back at me  
The whole world's  
Smiling back at me
