

Me And My Teddy

Barney

Me and my best teddy bear, sitting in my favorite chair
We are going out to play just like every day
I got lots of friends out there and they're lots of fun
But they're not my teddy bear, he's my favorite one
Me and my teddy, getting all ready
Getting all ready to play
Me and my teddy, getting all ready
Getting all ready to play
You know I've got a lot of friends that I play with
You know I've got a lot of friends who are fun
But then they can't do everything what my teddy
'Cause my teddy, he is the one
Me and my teddy, getting all ready
Getting all ready for bed
Me and my teddy, getting all ready
Getting all ready for bed
You know I never really fright to get night time
You know I'm not even scared of the dark
'Cause with my teddy right here alongside me
I'm not even scared of a shark
Me and my teddy, getting all ready
Getting all ready for school
Me and my teddy, getting all ready
Getting all ready for school
I've got to leave him at home by himself all alone
But he doesn't mind it and that's cool, that's cool
