

## As It Is Written

### Barren Earth

You storm the mountains  
We close the gate  
You scream your hate  
You flood the fountains  
Summon our faith  
It's not too late

You blind their eyes  
Their spiteful lies

Reign  
Reign  
As it is written  
Maim  
Maim  
As it is written

The walls are crying  
You bring us down  
We kiss your crown  
The waters dying  
You let them sleep  
We hear them weep

Our loving god  
You spill their blood

Reign  
Reign  
As it is written  
Maim  
Maim  
As it is written

Like it is written  
Devour the moon  
It's all too soon

The soldiers kneel  
The walls of steel  
The fading skies  
My bleeding eyes

As it is written
