

# Bully

Barrie

Don't get caught, baby you're going off  
Talk shit again and they'll scratch up your car  
Getting drunk on your balcony, can you let me sleep  
I was never your enemy, why did you steal my keys?

I'm a bully  
I'm a bully with a crush  
Come on, look at me  
I wanna talk, I wanna touch

You keep on asking  
My favorite song by The Doors  
And I don't care  
I don't care about Star Wars  
On a porch with begonias  
Kicking flowers with your feet  
You had to suffer with a name like that  
But you can walk late on the street alone

I'm a bully  
I'm a bully with a crush  
Come on look at me  
I wanna talk, I wanna touch

I'm a bully  
I'm a bully with a crush  
Come on, look at me  
I wanna talk, I wanna touch  
I'm a bully  
I'm a bully with a crush  
Come on, look at me  
I wanna talk, I wanna touch
