

## Darjeeling

Barrie

The city towed my car the first night I got it  
At your favorite bar with the guy who owns it  
Oh, it's just like you called it  
And oh, you never got it

Stay, keep me here for a while  
Stay, you can leave when you like

Phases to ages and you're messing with my head, and I already d  
o  
Phases to ages and you're messing with my head, and I already d  
o  
Oh, it's just like you called it  
And oh, you never got it

You're writing your name on everything  
Walking up the stairs of your building  
And you're still learning all the light switches  
Sweeping your hand against the wall

Stay, keep me here for a while  
Stay, you can leave when you like  
Running out of things in kind, running out of common lines  
Gonna get you overnight, gonna get you all the time  
Stay, keep me here for a while  
Stay, you can leave when you like
