

Dig

Barrie

(Get it over, get it over...)

Get out of the country
I know you can hear me
You always knew how to use a muscle
What's a stop sign to a bull

I can't get enough of you
I can't get enough of you
Where did you come from?
Where did you come from?

To wash your own clothes
To give a fuck about

I can't get enough of you
I can't get enough of you
Where did you come from?
Where did you come from?

I can't get enough of you
I can't get enough of you
Where did you come from?
Where did you come from?
