Doesn't Really Matter

Barrie

Won't you take your hand off of my back?
Gonna call the man, gonna call your dad
That bird doesn't sing, that bird it shouts
Doesn't miss a thing, she's her own man now

Ah-ah-ah-ah, you know it doesn't really matter
Ah-ah-ah-ah, you know it doesn't really matter

Now you get up and you get down
How do you get any of it off?
Now you get up and you get down
How do you get any of it off?

Ah-ah-ah-ah, you know it doesn't really matter
Ah-ah-ah-ah, you know it doesn't really matter

It never goes like that for anybody
She never goes like that for anybody, anybody, any

Oh-oh-oh-oh-oh, you know it doesn't really matter
Oh-oh-oh-oh-oh, you know it doesn't really matter

I'm gonna try, I'm gonna try (Gonna try, gonna try, gonna try)
I'm gonna try, I'm gonna try (Gonna try, gonna try, gonna try)

Oh-oh-oh-oh-oh, you know it doesn't really matter
