Hard Candy

Barrie

(Why do you do what you do what you do when you do it)

It's just a matter of time
Figure out what you like
Your body knows more than you do
It knows what it needs

(Call it what it is, call up what it is)
You don't need to act like this
You don't need to talk like this
You don't need to run around
You don't need to tone it down

The little things
From every throat
Is a hard candy

I wanna go back down below
(It's a hard time)
Drying the dishes hand by hand
What's wrong with maybe?
What's wrong with maybe?

He's always talking about how to incentivize
You can't tell him...
