

## Harp 2

Barrie

Saw your face in the doorway  
When you were coming back the other way  
You said, "you should try to be good and if you can't, be careful"  
Gotta get a plan, get a better man  
Gotta get a plan, get a better man

He's gonna do right, he's gonna turn it back around  
I never looked right but do you love me now?

Oh baby, I'm Napoleon, carving out my own region  
I'm nothing to an alien, the turn of an old season  
Said, "oh my God, don't you love me now?"  
Said, "oh my God, don't you love me now?"

(Supersymmetry, supersymmetry, supersymmetry)  
He's gonna do right, he's gonna turn it back around  
(Supersymmetry, supersymmetry, supersymmetry)  
I never looked right but do you love me now?

(Supersymmetry, supersymmetry, supersymmetry)  
(Supersymmetry, supersymmetry, supersymmetry)
