

Black Heart Man

Barrington Levy

Dreadlocks man
Black Heart man

Long time ago, when my eyes was at my knees
If I see a rasta man, I just got to be free
Everywhere I go, my mommy had to know
People used to say, kid you don't go astray
Black heart man will take you away
True I was a youth, and I never knew the truth
But now I come a man, I've got to understand
That the rasta-man, ain't no black man
Dreadlocks man
Dreadlocks man, I've talked for many
No mean no heart?
Dreadlocks man
Dreadlocks man, ye-ah-eah
Dreadlocks man, girls

I was a youth, and I never knew the truth
But now I got my bigga-bigga man
Try to understand that rasta man
I'm no black heart man
Dreadlocks man
Jah jah jah jah, have some mercy
Don't give dreadlocks bad name, all the way, yes
Oh give your duty to the rasta man
Him no hurt no fight
Him seek truth to right
Jah jah, ohh, ohh

Dreadlocks man
Long time ago, when my eyes was at my knees
If I see a rasta man, I just got to be free
Everywhere I go, my mother had to know, well
People used to say, children, don't go astray, yes
Yes black heart man will take you away, yeaah, eeah, yeah
Dreadlocks man ain't no black heart man
Dreadlocks speak to them right no blood to fight

A long time, they makin rumor on the dreadlocks
The dreadlocks man, a robber
And dreadlocks man, is a wicked man
Dreadlocks man, is a black heart man
Don't make them the rumor man, yes
Dreadlocks man is a truthful man
Speak truth and right when I say dreadlocks man
When I say dreadlocks man I only mean dreadlocks man
Their dealing with truth and right
I'm not dealing with wolf in the sheeps clothing
Long time ago, natty natty natty can you set them free
Set them free, like the bird in the tree, yeah
