You better watch yourself  
Watch yourself, you better watch yourself, yeah

You know we should all unite  
Ballhead, you musn't fuss nor fight  
You know we should-a all unite  
Young girls, we musn't fuss nor fight  
You know we are Israelite  
Natty Dread, no bother mash up di dance  
Ballhead, no bother mash up di dance  
Young girls, we musn't fuss nor fight  
You know we are Israelite

You better watch yourself, watch yourself  
Watch yourself, you man

No, white man, nor fuss nor fight  
No, Syrian, no fuss nor fight
