

## Teach the Youth

Barrington Levy

Went away to a far far land, spend some time in new york,  
most of my time inna England.

No welcome back to my bornland. Yeah

Come from england to make some vibes, just to keep ma - fans al  
ive

But the vibes they're teaching, me that dont right in my book,  
no

yes the vibes they're teaching me that dont right in my book. L  
ike

no put i dey nah put dem no weh hey, No put i dey lawd a wey dem  
a seh

sex an guns jus keep dem to de ground horse tonic a mek di girl  
dem panick

Teach di youths dem how to live, Teach di youths dem how to sur  
vive

hold your corner and save your life and thats no jive.

Seh di youthes dem mek a living by selling some stars, gots to  
make a living wiping down cars, cant you see the times your liv  
ing in, the people are suffering.

No teach me nothing just teach me something

No teach me nothing just teach me something

hold your corner save your life and thats no jive.

My heart, my poor little heart, my heart cries to see the youth  
.

No put i dey nah put dem no weh hey, No put i dey lawd a wey dem  
a seh

sex an guns jus keep dem to de ground horse tonic a mek di girl  
dem panick

Teach di youths dem how to live, Teach di youths dem how to sur  
vive

hold your corner and save your life and thats no jive.
