

Vice Versa Love

Barrington Levy

Whoa... hello,hello,hello,hellooooooo.
Please give a helping hand oh jah
to guide all of us together
people are straying and straying
dividing themself's from each other
there's to many hopeless souls and ragamuffin souljahs
what we need is love and what we need

Everybody wants vice versa love
to all the hungry,vice versa love
come on and get some,vice versa love
come on and gett it vice versa love

To all the rude boys put down all your guns,
The only amunition we need is love
love for everyone,mothers tell your daughters,
fathers please tell your sons,just warn them,
teach them,tell them,show them,that what we need,
that what we need is everybody wants vice versa love,
to all the hungry,vice versa love to all the rejects vice versa
love,
come on and get it.warn them.

Please give a helping hand oh jah to guide all of us together,
people are straying and straying dividing them self from each o
ther,
what we need is love that's what we need,
everybody wants vice versa love,to all the hungry,vice versa lo
ve,
to all the rejects,vice versa love com on and get it vice versa
love.
Warn them,teach them, tell them, warn them,warn them,
tell them,warn them,warn them,warn them,teach them,warn them,te
ach them
warn them, tell them.
WARN THEM.
