

Achieved In The Valley Of The Dolls

Barry Adamson

Do you believe in the valley of dolls
Were you achieved in the valley of dolls
Born from porn we'll weather the storm
Take the little black bull by the sacred horn
Achieved in the valley of dolls

Were you conceived in the valley of dolls
Haven't seen you since
Were you there at all
Were your locks shorn in the temple above
Did you lose yourself with a siren of love
Deceived in the valley of dolls

Achieved in the valley of dolls
Believed in the valley of dolls
Conceived in the valley of dolls
Deceived in the valley of dolls
