

Jive Talkin'

Barry Gibb

It's just your jive talkin'
You're telling me lies, yeah
Your jive talkin'
You wear a disguise
Jive talkin'
So misunderstood, yeah
Your jive talkin'
You're really no good

Oh, my child
You'll never know
Just what you mean to me
Oh, my child
You got so much
You're gonna take away my energy

With all your jive talkin'
You're telling me lies
Your good lovin'
Still gets in my eyes
Nobody believes what you say
Jive talkin'
That gets in the way

Oh my love
You're so good
Treating me so cruel
Now there you go
With your fancy lies
Leavin' me lookin' like a dumbstruck fool
'Cause you're

Jive talkin'
You're telling me lies, yeah
Your jive talkin'
You wear a disguise
Jive talkin'
So misunderstood
Your jive talkin'
You're really no good
Love talkin'
Is all very fine
You're jive talkin'
And it just ain't no crime
And if there's somebody
You'll love till you die
Jive talkin'
Just gets in your eye

Jive talkin'
Jive talkin'
Jive talkin'
Jive talkin'
Jive talkin'
Jive talkin'
