

# I've Got a Dog and My Dog's Name is Cat

Barry Louis Polisar

I've got a dog and my dog's name is Cat  
Bet you never heard anything as crazy as that  
But not only that, I've got a cat  
And my cat's name is Dog, like my dog's name is Cat

I bet you think that's pretty absurd--  
But wait 'til you hear about my fish, Bird  
And listen to me and you'll hear this:

I've got a bird and I call him Fish

With my bird and my fish, my dog and my cat  
People all stare when I tip my hat.;  
It's strange as can be when we walk in the park  
But it's stranger still when the cat starts to bark
