

# Do Like I Do

Barry Manilow

If you decide it's under way  
If you decide it's under way  
Where am I tell me now  
Tell me tell me  
When are you going to  
Do like I do like I do like I do  
I'm going to find me way to you  
Do like I do like I do like I do  
I'm going to find my, I'm going to find me  
Take my advice  
And let yourself go  
Take my advice  
You're going to love it so  
Follow me and look alive  
Tell me tell me  
When are you going to  
Do like I do like I do like I do  
I'm going to find my way to you  
Do like I do like I do like I do  
I'm going to find my, I'm going to find my  
Tell me now if you're ready to start  
It's your turn baby got your part  
8, 7, 6, 5, 4, 3, 2  
Got a one track mind  
Gotta do like I do  
Do like I do like I do like I do  
I'm going find my, I'm going find my way to you  
Do like I do like I do like I do  
(TALK)  
Now we play for you  
And we sang for you  
Now you gotta sing for us  
Ok?  
It's real easy  
All you gotta do is sing  
Do like I do like I do like I do hey  
I'll show it to you  
I'll show it to you like this  
Do like I do like I do like I do hey  
You got it?  
You got it?  
You're going to do it?  
Ok? Ready  
1, 2, 1, 2, 3  
Sing

Do like I do like I do like I do hey  
Well that really sucks  
Come on  
Do like I do like I do like I do hey  
It's getting better  
Come on, keep going  
Come on, one more time  
Do like I do like I do like I do hey  
Do like I do like I do like I do hey  
Do like I do like I do like I do  
I'm gonna I'm gonna find my way

Do like I do like I do like I do hey  
Do like I do like I do like I do  
I'm gonna find I'm gonna find my  
Do like I do like I do like I do  
Like I do  
Like I do  
Like I do  
Like I  
1,2,3, hey
