

Bullfrogs And Butterflies

Barry McGuire

Ribbit! Ribbit!

C'mon, I'm gonna teach y'all a new song!
You're gonna love it, here it goes!

Bullfrogs and butterflies
We've both been born again
I'm singin' 'bout
Bullfrogs and butterflies
We've both been born again
Come on, try it with me!

Bullfrogs and butterflies
We've both been born again
That's it, c'mon!
Bullfrogs and butterflies
We've both been born again

Ol' tadpole in a fishin' hole
He couldn't croak or jump to save his soul
But then one day, it's the funniest thing
Why he started growin', turnin' green
Yes, he jumped up on a lily pad
And he was croakin' out a song, gave it all he had
He's singin'...

Bullfrogs and butterflies
We've both been born again
That's right, c'mon!
Bullfrogs and butterflies
We've both been born again
C'mon, everybody!

Bullfrogs and butterflies
We've both been born again
Yes, we have now
Bullfrogs and butterflies
We've both been born again

Well, little caterpillar on a blade of grass
She's noticin' the days going by so fast
She's a lovely little lady
She's looking for a room
She's weavin' and spinnin' out a fine cocoon
Why it didn't take long 'til she saw the sky
Spread your wings, you butterfly
She's singin'...

Bullfrogs and butterflies
We've both both been born again
Look out, here comes a jump!
Bullfrogs and butterflies
We've both been born again
You're doin' good, c'mon!

Bullfrogs and butterflies
We've both been born again

Look out, skip and a jump!
Bullfrogs and butterflies
We've both been born again
That's good!
We've both been born again
Yes, we have!
We've both been born again
Yeah!
