

Christ Is Coming Soon

Barry McGuire

Christ is coming soon
He is coming soon
Are you ready
Christ is coming soon
He is coming soon
Are you ready

Like a flash of lightning
All the world will see
So the second coming
Of the Lord will be
Angels will surround Him
Glory has crowned Him as King
(He is King)

Christ is coming soon
He is coming soon
Are you ready
Christ is coming soon
He is coming soon
Are you ready

He will flood the darkness
With His holy light
There is no escaping
From His awesome sight
Soon without warning
He'll be returning as King
(He is King)

Christ is coming soon
He is coming soon
Are you ready
Christ is coming soon
He is coming soon
Are you ready

Christ is coming soon
He is coming soon
Are you ready
Christ is coming soon
He is coming soon
Are you ready...
