

# Good News Shoes

Barry McGuire

Got my good news shoes  
Wrapped around my toes  
Claimin' God's Kingdom  
Everywhere I goes  
I got my born-again hat  
Pulled down over my head  
Shoutin' 'bout salvation  
'Til the day my body's dead

I got my good news shoes  
Well, kick the devil in his bad news blues  
I got my good news shoes  
Bringin' Jesus here for all of you

Got my right on shirt  
Wrapped around my heart  
So God will listen to me  
Right from the start  
Got my what it is britches  
I tell you no lie  
Love my Lord Jesus  
Yeah, He's the reason why

I got my good news shoes  
Kick the devil in his bad news blues  
I got my good news shoes  
Bringin' Jesus here for all of you

I got my good news shoes  
Well, kick the devil in his bad news blues  
I got my good news shoes  
I'm bringin' Jesus here for all of you

I believe in the Lord  
So I don't get burned  
The enemy may tempt me  
But I won't be turned  
I got God's Word  
Like a sword in my hand  
Yeah, I'm talkin' 'bout my Jesus  
Out across the land

I got my good news shoes  
Kick the devil in his bad news blues  
I got my good news shoes  
Bringin' Jesus here to all of you  
I got my good news shoes  
Well, bringin' Jesus here to all of you
