

# I Can See The Light

Barry McGuire

I walked alone in endless night  
A cane was in my hand  
My old tin cup was empty  
Just a lonely dyin' man  
Ever wipin' tears away  
From eyes that couldn't see  
As every day the darkness covered me

Then one day I heard the sound  
Of people passing by  
They were shouting "He's the light!"  
I couldn't hear just why  
I was pushed out by the crowd  
I wished that I could see  
Who this man of light could really be

I want to see the light  
Oh, see it shinin' bright  
I want to see the light  
Take the night away  
And bring the day  
My eyes are blind  
I want to see the light

Then the crowd kept movin' on  
And I was left behind  
Groping through the darkness  
As confusion filled my mind  
Suddenly a gentle hand  
Took me by surprise  
Then the light or morning filled my eyes

Now I can see the light  
Oh, see it shinin' bright  
Now I can see the light  
He took the night away  
And brought the day  
My eyes were blind  
But now I see the light

Whoo!

Now I can see the light  
Oh, see it shinin' bright  
Now I can see the light  
He took the night away  
And brought the day  
My eyes were blind  
But now I see the light

Now I can see the light  
Oh, see it shinin' bright  
Now I can see the light  
He took the night away  
And brought the day  
My eyes were blind  
But now I see the light

Now I can see the light  
Oh, see it shinin' bright  
Now I can see the light  
He took the night away  
And brought the day  
My eyes were blind  
But now I see the light...
