

My Lord

Barry McGuire

My Lord is faithful, my Lord
My Lord, He is just
My Lord, He's gentle, my Lord
My Lord is Someone I can trust

My Lord, He moves the mountains
My Lord holds back the sea
And my Lord orders all creation
Oh, my Lord is living within me

My Lord, He's mercy, oh, my Lord
My Lord, He is strong
My Lord is perfect, oh, my Lord
My Lord, He is never wrong

My Lord, He moves the mountains
My Lord holds back the sea, yes
And my Lord orders all creation
Oh, my Lord is living within me
My Lord is living within me

Oh, my Lord, He moves the mountains
My Lord holds back the sea, yes
And my Lord orders all creation
Oh, my Lord is living within me
My Lord is living within me
My Lord is living within me
