

Walk In The Sonshine

Barry McGuire

Walk in the Sonshine
Singing a new rhyme
Now that Jesus freed me, my friend
Joy is my pastime
Peace is my lifeline
Now that Jesus freed me, my friend

Got to reveal it
Jesus has sealed it
Ain't nobody's ever gonna steal it
Steal it away

Just walk in the Sonshine
Sharing the new wine
Now that Jesus freed me, my friend
Born at the cross sign
Branches of His vine
Now that Jesus freed me, my friend

Got to reveal it
Jesus has sealed it
Ain't nobody ever gonna steal it
Steal it away

Just walk in the Sonshine
Washed off all of the old grime
(Scrub-a-dub-a-dub)
Now that Jesus freed me, my friend
Eyes that were so blind
Now they can see just fine
Yes, Jesus freed me, my friend

Got to reveal it
Jesus has sealed it
Ain't nobody ever gonna steal it
Steal it away

Just walk in the Sonshine
Singing that brand new rhyme
Born at the cross sign
Branches of His vine
Sharing that new wine
Washed off all of the old grime
Eyes they can see just fine
Just walk in the Sonshine
Walk in the Sonshine
Walk in the Sonshine...
